NATIONAL SHOW**

SCHEDULE

2021

7th to 10th SEPTEMBER

Held in conjunction with

RHS WISLEY FLOWER SHOW

7th to 12th SEPTEMBER

WOKING, SURREY GU23 6QB

2021 Wisley Show Schedule

Exhibitors please note there have been changes to some classes and numbering within the Schedule. Please read your schedule carefully when making your show entries.

ALL FLORAL FOAM IS BANNED FROM USE AT THE NATIONAL DAHLIA SHOW FROM 2021

Floral Foam must not be used on site.

As part of the RHS's efforts to improve sustainability, and make environmentally-minded choices when planning their events, they have made the decision to ban all plastic containing floral foam at shows and events from 2021. Floral foams on the market are non-biodegradable (the brown bio-foam still takes 4 years to break down by 90% under special conditions) and use micro-plastics, and due to the nature of its use it is very easy for these to get into water supplies.

The RHS have approved the use of AGRAWOOL and FIBREFLORAL at Shows and Gardens.

The curatorial team are also happy that it can be put in with composting.

Please read Rule 19.

REGULATIONS FOR EXHIBITORS

4. Due to lack of space no late entries whatsoever will be accepted.

5. None but paid up members of the National Dahlia Society may exhibit at this show. Exhibits will be accepted from new members enrolled prior to the closing date for entries.

6. All dahlias exhibited in competition must be grown by the exhibitor, except in Floral Decoration and Seedling classes.

8. Members and Affiliated Societies may not enter more than once per class except where otherwise stated in the schedule.

9. All exhibits should be named, except those in seedling classes. Cultivar cards for exhibits in seedling classes must be left in the sealed envelope provided, to be opened and displayed on the exhibit after judging.

The names of the cultivars entered should also be written on the reverse of the entry card in the spaces provided (see paragraph 11).

Cultivar cards for naming exhibits will be available in the marquee and it is a requirement that these are used on each vase. Plastic card holders are also available which should be used to display the cards.

10 Vases and baskets as appropriate for the competitive classes will be provided by the Society and must be left on the stands at the close of the show. These will be obtainable only from the vase-issuing stewards and the number issued will be strictly in accordance with the actual entries made.

11. Exhibits are to be staged as indicated by Class Number (and other instructions when necessary). Individual class entry cards for each class entered are available in the marquee from 5.00 p.m. on the day prior to the show and are to be left face down immediately adjacent to the vase (front vase in the case of multi-vase exhibits).

12. No exhibitor may interfere in any way with exhibits, which are not his or her own without the permission of the Show Manager. Failure to comply with this rule will render the exhibitor liable to disqualification.

13. Exhibitors may commence staging **after 5.00pm** of the day preceding the exhibition and all exhibits must be ready by **7:30am** on the morning of the exhibition when exhibitors must leave the marquee unless officially retained by the General Secretary or the Show Manager for Judging and Authorized Stewarding duties.

The exhibition will close to the public at 4.00pm on Friday 11th September Exhibitors wishing to retain their exhibits must remove them at 4.00pm on 11th September and such exhibitors are urgently required to be in attendance at the close of the exhibition to take charge of their exhibits.

The marquee will be revamped for weekend displays on Friday evening 6th September.

14. The decision of the judges, in respect of the relative merits of the exhibits, shall be final. Protests on any other matter concerning an exhibit must be made in writing, stating reasons for the protest, and delivered to the General Secretary before 1:00 p.m. on the first day of the show together with a fee of £1.00 which will be returned if the protest is upheld. Judging will be to the rules for judging contained in the current Classified Directory and updates in NDS Publications.

15. Where a member has used internal support of blooms above the top of the vase and has been reported in accordance with Regulation 14 above, the matter will be dealt with by the Judging Committee. On the reports being confirmed the member shall automatically be banned from exhibiting at shows organised by the National Dahlia Society for one year from the 1st of January of the following year.

The Judging Committee shall submit a report to the first following meeting of the Executive Council.

16. The judges have the right to withhold any prize where the exhibit(s) is considered unworthy of the award. Highly Commended cards may be awarded at the discretion of the judges.

17. Winners of perpetual trophies are required to sign a receipt and arrange for their return to the General Secretary's address by 30th June following, to allow time for their engraving prior to the next year's show.

18. Due to lack of secure storage for all of the Trophies at the show only 'The Herbert Brown Perpetual Challenge Cup', The 'J.W Montague Cup', The 'D.B. Crane Cup' and The 'Terry Clarke Perpetual Challenge Cup' will be presented at 2.00pm on the first day of the show.

Winners of other Trophies are requested to make arrangements with the General Secretary for receipt of their Trophies.

19. ALL FLORAL FOAM IS BANNED FROM USE IN 2021

As part of the RHS's efforts to improve sustainability, and make environmentally-minded choices when planning their events, they have made the decision to ban all plastic containing floral foam at shows and events from 2021. Floral foams on the market are non-biodegradable (the brown bio-foam still takes 4 years to break down by 90% under special conditions) and use micro-plastics, and due to the nature of its use it is very easy for these to get into water supplies. Only the use of Newspaper, Dahlia Stalks, Moss, wooden sticks, Agrawool, FibreFloral or other compostable staging material is permitted. The use of sand, pebbles or wallpaper paste is not permitted to be used in staging, and could result in vases being NAS.

The RHS have approved the use of Smithers-Oasis FibreFloral and Agrawool at Shows and Gardens. The curatorial team are also happy that it can be put in with composting.

20. All exhibits, whether competitive or non-competitive, personal property, etc., will be at the risk of the Exhibitor, and the National Dahlia Society will not be liable for compensation for loss or damage by theft, fire or accident, water or any other cause whatsoever. Exhibitors will be wholly responsible for any claim by their employees under any Act of Parliament, Regulation of Common Law or otherwise.
